

THE FUTURE OF THE KETTLE: WE NEED TO GROW

THE KETTLE CONTINUES TO STRIVE FOR BETTER MEANS TO SUPPORT PEOPLE WITH MENTAL ILLNESS TO LEAD HEALTHIER LIVES; ROOM TO HOUSE ALL OF OUR PROGRAMS ARE AT A PREMIUM. OUR CURRENT FACILITY HAS BEEN BEYOND CAPACITY SINCE OPENING ITS DOORS IN 2000 AND THERE IS CRITICAL NEED TO EXPAND AND REDEVELOP THE KETTLE.

There is a critical need:

THROUGH EXPANSION WE WILL BE ABLE TO SERVE THE COMMUNITY AND FURTHER CONTRIBUTE TO THE WELL BEING OF THE COMMUNITY. OVER THE NEXT YEAR WE WILL BE WORKING WITH OUR NEIGHBOUR, BOFFO PROPERTIES, ON ALL PLANS FOR AN EXPANDED FACILITY AT 1725 VENABLES STREET.

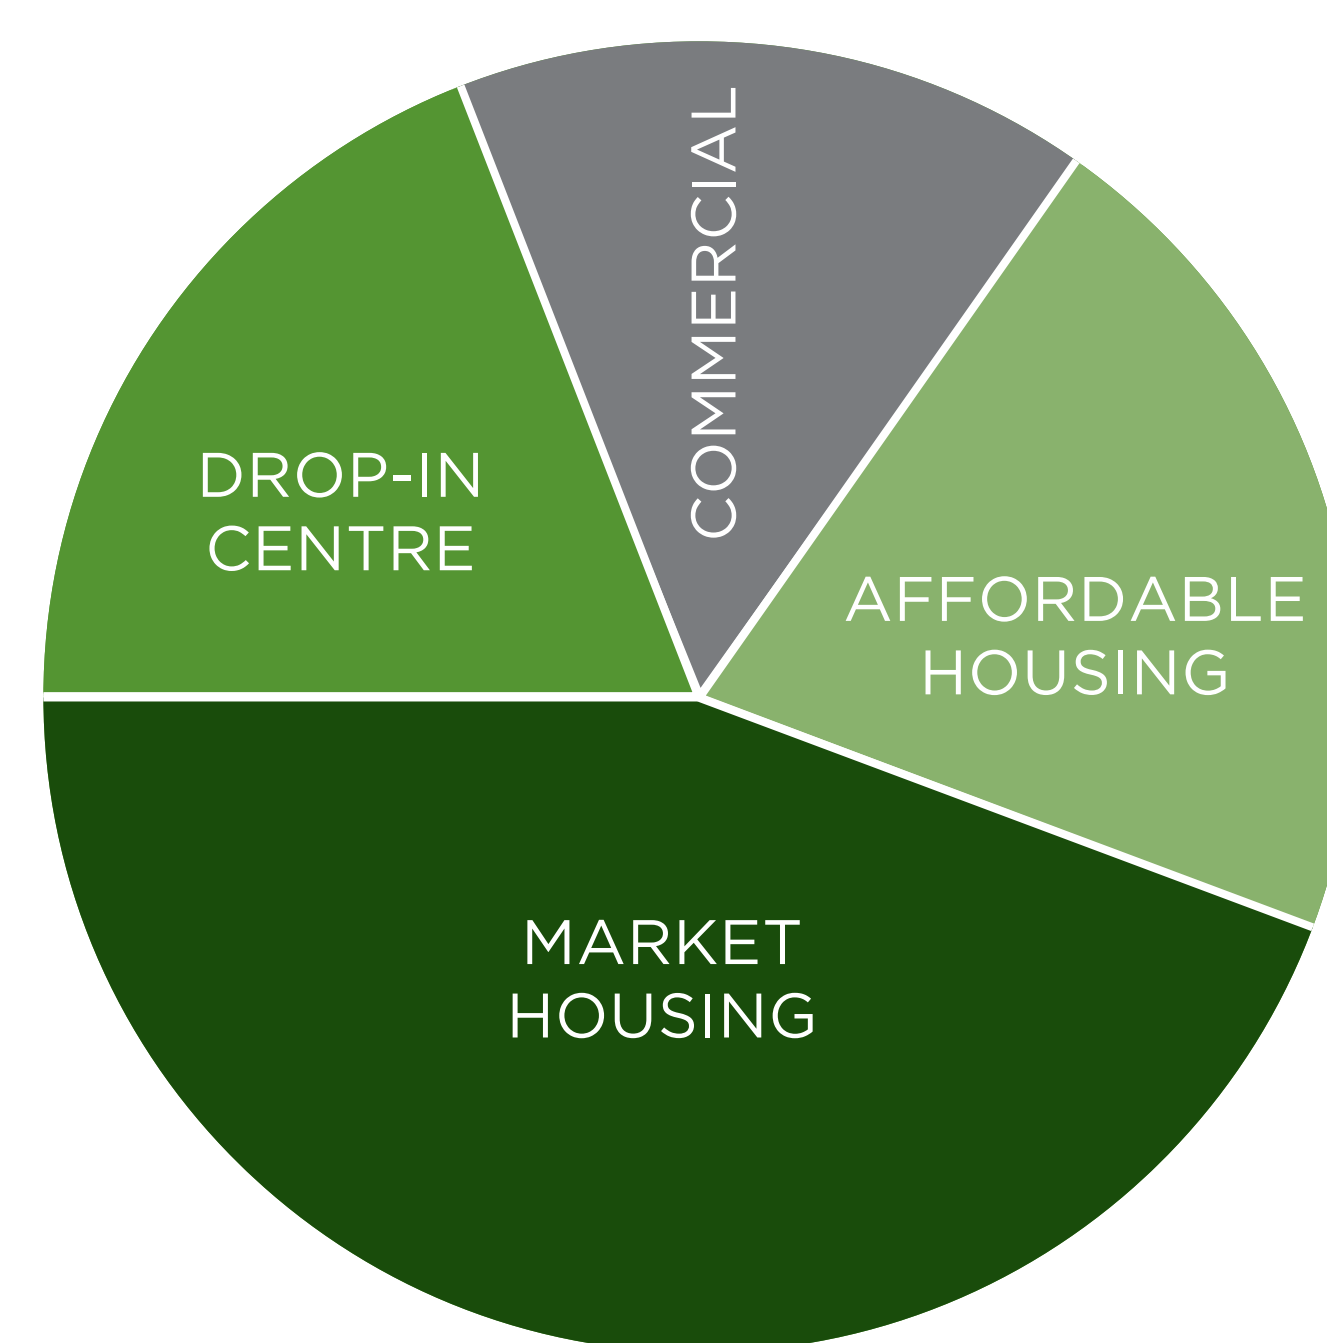

OUR VISION: A NEW KETTLE

OUR VISION: A NEW MODEL

Our vision is a new purpose built facility that can better accommodate our services and clients.

We have developed a plan to fund expansion and provide facilities by redeveloping the property in partnership with our neighbour, Boffo Properties. Under this development model a new market residential component will finance The Kettle facility including our non-market supportive residential units.

OUR VISION: EXPANDED SERVICES

We have an established presence in the local community and our facility is well used, but beyond capacity. Our vision is for a new facility that can accommodate the needs of our growing community. There is a need to expand and improve our services and we no longer want to turn away individuals in need due to lack of space.

We envision an expanded Kettle will include:

- Increased space for our daily meals program
- Additional recreational space at the Drop-In Centre
- An expanded SEED program (Self Esteem and Employment Program) with more training and work opportunities
- Improved kitchen facilities and additional storage space on site
- Increased office space for staff so they can adequately serve clients
- Supportive housing units on site for our clients
- Art gallery for Kettle clients to display and sell art
